CHIHUAHUA, CHIH.

Dear Sir

We are greatly concerned for the safety of the eight mothers belonging to the movement "Desaparecidos politicos de chihuahua Ciudad Juarez" who were attacked by about fifty policemen on 21 November 1988 while demonstrating before Chihuahua Government's Palace. The policemen, acting on the orders of Mr Refugio Miller Hermosillo have seriously beaten: Mrs Maria Luisa Fierro de Navarro, Mrs Laura Saldivar de Gaytan and Mrs Socorro Varela, Mrs Martha de los Rios, Mrs Alicia M de los Rios, Mrs Irma Coronel, Mrs Concepcion Corral and Mrs Eudelia Espinoza. We ask that their physical and psychological integrity be respected. We also urge that the fundamental rights of the population be guaranteed. We demand that an investigation be opened to identify those responsible for the act and bring them to justice.

Yours truly
